Report Data for June 10, 2016 to December 31, 2018

	Number of Instant Connect Confirmation Letters Sent	Number of Instant Connect Confirmation Letters Returned
2016 ¹	2,859	232
2017	2,501	214
2018 ²	761	63

PECO sends its confirmation letters by the end of the next business day.

Note 1: The number of instant-connect confirmation letters returned for 2016 has been estimated, because PECO deployed its instant-connect solution in June 2016 and time was required during 2016 to establish a process for tracking the returned confirmation letters. The process was put in place on December 9, 2016. Subsequent data reflects the actual number of returned letters.

Note 2: In April of 2017, PECO implemented a script change within its Standard Offer program in compliance with Commission Opinion & Order at Docket No. P-2016-2534980 which significantly impacted the number of Instant Connects. The percentage of confirmation letters returned however remains consistent.
