I, Byron L. Goldstein, of 2365 Geneva Ave., Glenside, PA 19038, strongly object to the proposed settlement with Aqua Pennsylvania, Inc.

The rate increases in the proposal are outrageous for all areas that Aqua serves. If these rate increases are truly due to and for infrastructure improvement, then these should be financed through bond funds or with revenues and profits of the company. Shareholders in Aqua should not benefit from outrageous, well above CPI, rate increases that captive customers would face and have little or no control over.
