Dear Secretary Chiavetta:

On July 10, 2019, the Pennsylvania Public Utility Commission (“Commission”) issued a Secretarial Letter in the above-captioned proceeding, which directed PPL Electric Utilities Corporation (“PPL Electric”) to serve copies of that Secretarial Letter upon additional solar entities notifying them of the Petition and the extension to file protests or comments by 4:30 PM on Tuesday, July 30, 2019. After providing this notification, PPL Electric was directed to provide the Secretary with a Certificate of Service listing the entities served with the Secretarial Letter.

On July 12, 2019, PPL Electric served copies of the Secretarial Letter upon the additional solar entities, as directed by the Secretarial Letter. Further, the Company included a cover letter with each Secretarial Letter, which reiterated the deadline for filing protests or comments and provided a link to the Petition on the Commission’s website.

Enclosed for filing is the required Certificate of Service, evidencing that those solar entities were served with the Secretarial Letter notifying them of the Petition and the deadline to file protests or comments by 4:30 PM on July 30, 2019.
