Re: Applications of Duquesne Light, Docket Nos. A-2019-3008589, A-2019-2008652

Dear Mr. Solt:

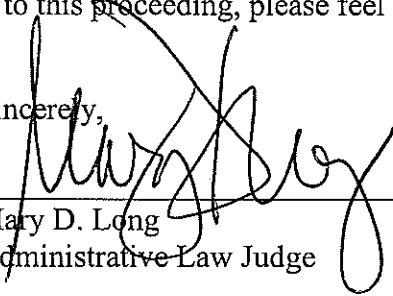

I am in receipt of your correspondence regarding the above-captioned Duquesne Light Applications.

On April 29, 2019, a prehearing conference order was sent to you and other landowners affected by the proposed transmission line which required protests to the applications to be filed on or before May 29, 2019, and informed you that a prehearing conference would be held on June 6, 2019. That order also provided instructions on how to participate in the proceedings before the Commission. A further prehearing conference was held on July 2, 2019, and a litigation schedule was established. As of now, evidentiary hearings are scheduled for September 10, 2019, and October 29, 2019. For your convenience, a copy of the Prehearing Order is enclosed. At this time, no public input hearings are scheduled to be held.

The Commission cannot consider your letter as evidence when rendering a decision on the Duquesne Light applications. It does not appear that your letter was served on counsel for Duquesne Light or filed with the Commission's Secretary's Bureau. As a convenience to you, I will send the original of your letter to the Secretary's Bureau in Harrisburg and forward copy to counsel for Duquesne Light and the other parties of record in this proceeding.

If you any procedural questions related to this proceeding, please feel free to contact my office.

Sincerely,

Mary D. Long
Administrative Law Judge

Enclosure

cc: Secretary's Bureau
Parties List

To judge Mary long,
My name is Dennis Solt I live at 1626 Ridge Rd., Moon Township and I do have an electrical tower in my yard. I was at a meeting on August 30 with representative Gaydos and was informed of a hearing that you're having on September 10 and 11th at 10 AM about the project. I'm a self-employed painter and losing time is hard for me so I was wondering if there was anyway that we could have a hearing in the evening in one of the municipalities that are affected by the powerline. There's a lot of concerned homeowners that were at the meeting that cannot make the hearing. Thank you

Dennis Solt
