Re: Pennsylvania Public Utility Commission v. Philadelphia Gas Works
Docket No. R-2020-3017206
2020 Base Rate Case Filing

Dear Secretary Chiavetta:

Enclosed for filing please find the 2020 Base Rate Case Filing of Philadelphia Gas Works ("PGW" or "Company"). The filing consists of proposed Supplement No. 128 to PGW's Gas Service Tariff – Pa P.U.C. No. 2 ("Supplement No. 128") pursuant to the Public Utility Code, 66 Pa. C.S. § 1308(d), and proposed Supplement No. 85 to PGW's Supplier Tariff – Pa P.U.C. No. 1 ("Supplement No. 85"). Proposed Supplement Nos. 85 and 128 contain revisions, additions to, and deletions from PGW's current Tariffs and have effective dates of April 28, 2020. PGW is also submitting all supporting data required by the Pennsylvania Public Utility Commission's ("PUC" or "Commission") regulations at 52 Pa. Code §§ 52.52, 52.53, and 52.62, including written direct testimony, supporting exhibits, and a Statement of Reasons. In its filing, PGW is seeking an increase in annual distribution revenues of \$70 million based on data for a fully projected future test year ("FPFTY") ending on August 31, 2021.

PGW's filing is presented as follows:

- Volume 1: Filing Requirements
- Volume 2: Direct Testimony
- Volume 3: Proposed Tariff Supplements & Current Tariffs

The Company is filing one hard copy and one electronic copy, on the enclosed CD, of its entire filing.

Also enclosed for filing is a Petition for Waiver which seeks the waiver of the application of the statutory definition of the FPFTY so as to permit PGW to use a FPFTY beginning on September 1, 2020, in this proceeding.

Additionally, PGW advises the Commission that it has elected to use the alternative method of customer notification set forth in the Commission's regulations at 52 Pa. Code § 53.45(b)(4). Consequently, as
