Re: COVID-19 Cost Tracking and Creation of Regulatory Asset
Docket No. M-2020-3019775

Dear Secretary Chiavetta:

Pursuant to the Secretarial Letter issued on May 13, 2020, in the above-referenced matter, I am hereby submitting notice, on behalf of Pennsylvania-American Water Company ("PAWC"), that PAWC has established a regulatory asset for incremental uncollectible expenses incurred above those embedded in rates since the issuance of the Commission's Emergency Order in *Public Utility Service Termination Moratorium Proclamation of Disaster Emergency – COVID-19*, Docket No. M-2020-3019244, issued on March 13, 2020 (ratified March 26, 2020). PAWC is also tracking other incremental COVID-19 related financial impacts and maintaining detailed accounting records of such financial impacts.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Rose Triscari".
