Re: Docket No. M-2020-3019244

Dear Secretary Chiavetta:

Please find attached a spreadsheet with the names of **789 Pennsylvania members and activists of the Natural Resources Defense Council (NRDC)** who signed on to the statement below calling on the Pennsylvania Public Utility Commission to continue the utility shutoff moratorium currently in place and for the Governor and state legislature to enact a statutory moratorium to cover all Pennsylvanians from utility shutoffs. This NRDC member statement supports the comments that NRDC submitted on this docket on August 18.

We write urging you as a Pennsylvanian to keep all state residents safe from utility shutoffs while the COVID-19 pandemic still wreaks havoc across the state.

That means that the Public Utility Commission must continue the utility shutoff moratorium currently in place. It also means that Governor Wolf and the state legislature must enact a statutory moratorium to ensure that every Pennsylvanian, including people (such as most water customers) served by utilities not regulated by the Commission, is protected from shutoffs.

We've seen that COVID-19 has disproportionately affected Black and Latino communities across the country due to systemic racism. An end to the utility shutoff moratorium would hit Black communities, communities of color, and low-income communities the hardest and put them at acute risk of infection without access to running water, electricity or gas.

If not for the utility shutoff moratorium currently in place, at least 700,000 electric and gas customers -- including 200,000 in low-income communities -- and 50,000 customers of Commission-regulated water utilities would have been at risk of having their power and water shut off at the start of June.

NATURAL RESOURCES DEFENSE COUNCIL

40 W 20TH STREET | NEW YORK, NY | 10011 | T 212.727.2700 | F 212.727.1773 | NRDC.ORG

Consider how much worse the impact of the pandemic would be if hundreds of thousands of Pennsylvanians across the state suddenly lack access to water to wash their hands as well as gas and electricity.

We call on you to do all that you can to ensure that the utility shutoff moratorium is continued and extended to keep all Pennsylvanians safe during this pandemic.

If you have any questions about this filing, please contact me at the email address or phone number below.

Thank you for your consideration.

Sincerely,

JOSUE AGUILAR
