**Re: UGI Utilities, Inc. – Gas Division; Docket No. R-2018-3006814;
Supplement No. 16 to UGI Gas - Pa. P.U.C. No. 7**

Dear Secretary Chiavetta:

UGI Utilities, Inc. – Gas Division (“UGI Gas”) hereby files Supplement No. 16 to UGI Gas – Pa. P.U.C. No. 7 in accordance with Commission Order at Docket No. R-2018-3006814 adopted and entered on October 4, 2019, which established an Extended TCJA Temporary Surcharge of -4.72% effective October 11, 2019.

Supplement No. 16 is filed in accordance with the Order at the above noted docket and sets the Extended TCJA Temporary Surcharge to zero for the period November 1, 2020 through December 31, 2020. On or before December 1, 2020, UGI Gas will file a reconciliation of the Extended TCJA Temporary Surcharge once UGI Gas is able to identify such actual reconciliation amount following the accounting close for the month of October. This reconciliation rate will be effective January 1, 2021 through October 10, 2021, at which point the rate will expire.

Given the warmer than normal weather experienced during the past year, UGI Gas is continuing to apply the current -4.72% rate through the period ending October 31, 2020. This continuation does not modify the timing of the ultimate reconciliation period which still requires awaiting October accounting close data.

Should you require any further information, please contact Stephen Anzaldo, Director – Rates & Regulatory Planning, either via phone at (484) 256-9115 or via email at sanzaldo@ugi.com.

Sincerely,

DocuSigned by:

Christopher R. Brown
