DATE: December 21, 2020

PUBLIC STATEMENT OF THE OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. Section 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to intervene and participate in the Joint Petition for Consolidation of Proceedings and Approval of Energy Efficiency and Conservation Plans (EE&C Plan) Phase IV of Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company (Joint Petition).

On November 30, 2020, Pennsylvania Power Company (Penn Power or Company) filed the Joint Petition, pursuant to Section 2806.1 of the Public Utility Code and pursuant to the Implementation Order entered by the Commission at Docket No. M-2020-3015228 on June 18, 2020. The five-year cost of the Company's EE&C Phase IV Plan is projected to be \$33,298,945. Penn Power EE&C Plan at 21. The Company plans to reduce annual energy consumption by 128, 909 MWh and reduce demand by 20 MW by May 31, 2026. Penn Power EE&C Plan at 21. With respect to residential customers, Penn Power has proposed the following three residential customer energy efficiency programs: (1) Energy Efficient Products Program; (2) Energy Efficient Homes Program; and (3) the Low-Income Energy Efficiency Program. Penn Power EE&C Plan at 35-36.

The Acting Consumer Advocate determined to intervene in this proceeding to protect the interests of Penn Power' customers; to ensure that the proposed Plan and programs are in accordance with Act 129 and all other applicable statutes, regulations, and Commission Orders; and to ensure that any increase in rates resulting from the adoption of the proposed programs and any related expenses are just and reasonable.
