**Re: Petition of PPL Electric Utilities Corporation for Approval of Its Default Service Plan for the Period of June 1, 2021 through May 31, 2025
Docket No. P-2020-3019356**

Dear Secretary Chiavetta:

On January 15, 2021, PPL Electric Utilities Corporation (“PPL Electric”) filed several documents to demonstrate compliance with the Pennsylvania Public Utility Commission’s (“Commission”) December 17, 2020 Order and the approved settlement in the above-referenced proceeding. These documents were filed consistent with the procedure followed in PPL Electric’s prior default service proceedings, in which the Company has submitted comparable documents as compliance filings and the Commission has issued Secretarial Letters approving the Company’s compliance filings.

Subsequent to the January 15, 2021 filing, the Commission’s Bureau of Technical Utility Services (“TUS”) advised PPL Electric that TUS did not believe it was necessary or proper for the Commission to approve the filed documents, and requested PPL Electric to withdraw its filing. Based upon TUS’s position, PPL Electric requests that its January 15, 2021 compliance filing be withdrawn. Please be advised that PPL Electric intends to use the filed documents for its Default Service Plan V period, as it considers the documents to be in compliance with the settlement and Order.
