LOAD SERVING ENTITY COMPLIANCE REQUIREMENT FORM

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

On an annual basis, EGSs providing retail electric supply service (i.e. take title to electricity) must file with the Commission this Load Serving Entity (LSE) Compliance Requirement Form. EGSs are directed to attach to this form documentation which provides the following:

- Proof of registration as a PJM LSE, or
- Proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

Examples of sufficient documentation to satisfy this compliance requirement include, but may not be limited to:

- A screen print showing that the EGS is listed as a Party to an effective version of the PJM Reliability Assurance Agreement (RAA), located at Schedule 17 of the RAA.
- Correspondence, such as an e-mail screen print or regular mail scan, from PJM verifying membership as an LSE.
- Documentation of an effective contract between the EGS and another party that serves as the LSE on behalf of the EGS. In such a case, the documentation must also include proof that the party fulfilling the LSE role is indeed registered with the PJM as an LSE

EGSs may mark all or portions of their filing confidential.

EGSs which do not provide retail electric supply service, such as brokers, are not required to file an LSE Compliance Requirement Form.

The EGS provides retail electric supply service and has attached compliance with the LSE requirement hereto.

SCHEDULING COORDINATOR AGREEMENT

This SCHEDULING COORDINATOR AGREEMENT (this "Agreement"), dated January 3, 2012 ("Effective Date") sets forth the rates, terms and conditions under which **COMMERCE ENERGY, INC.** ("Commerce Energy"), a California corporation, agrees to perform Scheduling Coordinator Services (as defined below) for **JUST ENERGY PENNSYLVANIA CORP.** ("Just Energy"), a Delaware corporation. Commerce Energy and Just Energy are hereinafter collectively referred to as "Parties" and individually as "Party." Capitalized terms used and not otherwise defined herein shall have the meaning ascribed to those terms in Appendix A and in the Tariffs.

1. Term and Effective Date.

- (a) Effective Date. This Agreement shall be effective on January 3, 2012 and shall continue through the Initial Term. Upon the conclusion of the Initial Term, this Agreement shall automatically renew for successive twelve (12) month periods, unless either Party has given the other Party at least ninety (90) days' written notice prior to the end of the then effective term that it does not wish to renew this Agreement or unless terminated by a Party under the provisions of Sections 1(b) or 1(c).
- (b) Termination for Cause. If an Event of Default occurs with respect to Commerce Energy, then Just Energy shall have the right to terminate this Agreement upon the delivery of written notice to Commerce Energy. If an Event of Default occurs with respect to Just Energy, then Commerce Energy shall have the right to terminate this Agreement upon delivery of written notice to Just Energy.
- (c) Optional Termination. Notwithstanding anything to the contrary in this Agreement, either Party may terminate this Agreement at any time for any or no reason by providing (i) for any termination occurring within 18 months following the date of the Effective Date, 180 days prior written notice to the other Party, and (ii) for any termination occurring thereafter, 90 days prior written notice to the other Party.
- (d) Effect of Termination. Notwithstanding anything else set forth herein, the termination of this Agreement shall not relieve either Party of (i) any unfulfilled obligation or undischarged liability of such Party existing as of the termination date, (ii) the consequences of any breach or default under this Agreement to the extent not excused by this Agreement, or (iii) any obligations or liabilities arising from provisions of this Agreement that either expressly or by their nature survive the termination of this Agreement. Upon a termination for cause, all amounts due to the non-breaching Party will become immediately due and payable upon demand. Any amounts owed by a Party to the other Party pursuant to this Agreement upon an optional termination or amounts owed by a non-breaching Party in the event of a termination for cause shall become due and payable within twenty (20) days after the termination of this Agreement. Any corrections or adjustments to payments previously made shall be determined, and any refunds made (subject to invoice adjustments pursuant to Section 5).

- 2. Services to be Performed by Commerce Energy. During the term of this Agreement, Just Energy hereby appoints Commerce Energy as its exclusive scheduling coordinator for PJM and Commerce Energy hereby accepts such appointment. Subject to Just Energy performing the obligations stated herein and therein, Commerce Energy shall provide Just Energy with the Scheduling Coordinator Services.

3. Collateral Support.

- (a) Collateral Support. Commerce Energy agrees to provide or post collateral or other security in the form of cash, letters of credit or guarantees as required by the Tariffs to or with PJM for Just Energy or on behalf of Just Energy as its Scheduling Coordinator in support of Just Energy's load

and/or assigned Load Assets with PJM as applicable. Such collateral will be provided by Commerce Energy directly to PJM or other similar account as required by PJM.

If allowed by applicable Tariffs and required by Commerce Energy, all collateral postings made pursuant to this Agreement shall be and remain in the name of Commerce Energy but be for the benefit of Just Energy. If such collateral postings are in the name of Just Energy, Just Energy shall irrevocably direct in writing that all monies returned or relinquished by the parties with whom such collateral has been posted be deposited as directed by Commerce Energy in writing.

(b) Requests for Collateral Support and Calculation of Collateral Provided.

(i) For purposes of any collateral posted on behalf of Just Energy, but under Commerce Energy's account with a third party (taking into account Commerce Energy's other activities within such third party), the actual amount of collateral to be posted on behalf of Just Energy shall be (a) determined by Commerce Energy in its sole discretion and based upon Commerce Energy's reasonable estimation (but always in accordance with any applicable Tariffs) of the amount of collateral that Just Energy would have been required to post with such parties, as applicable, directly and (b) in such amount (up to the amount then available Maximum Collateral Amount) and in such form as may be agreed upon by Commerce Energy and such parties. Just Energy further understands and agrees that there may be various methods of calculating the amount of collateral required in support of Just Energy's business due to Commerce Energy's credit quality and its other on-going business with such counterparties. Commerce Energy's method of calculating the amount of collateral required (or that would have been required) of Just Energy absent this Agreement shall be controlling (provided always that it is in compliance with any applicable Tariff).

(ii) Just Energy understands that PJM calculates the amount of collateral required on a daily basis and Commerce Energy, as scheduling coordinator in PJM market, is responsible to PJM for posting the required collateral support. Once each calendar month, Commerce Energy shall provide Just Energy with calculations showing the amount of funds drawn on behalf of Just Energy with respect to PJM market. Just Energy shall have ten (10) Business Days following receipt of such calculations (which may be sent by Commerce Energy to Just Energy via electronic mail) to accept or dispute, in good faith and in writing, such calculations, following which Just Energy shall conclusively be deemed to have accepted such calculations. If Just Energy disputes a collateral support draw pursuant to this provision, the Parties shall work together in good faith to promptly resolve the dispute.

(c) Return of Collateral Provided. Just Energy agrees to immediately return to Commerce Energy any collateral provided by Commerce Energy on behalf of Just Energy upon expiration or termination of this Agreement. To the extent that Commerce Energy is required by PJM or any Tariff to maintain collateral postings on behalf of Just Energy following the expiration or termination of this Agreement, Just Energy agrees to provide Commerce Energy with collateral in the form of a letter of credit in the form and from a financial institution reasonably acceptable to Commerce Energy in same amount as Commerce Energy is required to provide to PJM. This provision shall survive termination or expiration of this Agreement.

4. Fees for Scheduling Coordinator Services. For services rendered by Commerce Energy hereunder, Just Energy shall pay Commerce Energy a Scheduling Coordinator Service Fee in accordance with the mutual agreement of the Parties.

5. Invoicing. Commerce Energy will invoice Just Energy on a quarterly basis for services rendered pursuant to this Agreement as set forth in Schedule 1. Each invoice rendered under this Agreement shall be subject to adjustment by Commerce Energy in order to true-up charges based on PJM

settlements and other data. After revised PJM settlement and other data becomes known to Commerce Energy, Commerce Energy shall deliver to Just Energy a revised invoice reflecting debits or credits, as applicable, to the previous billing amounts. Commerce Energy's right to adjust invoices hereunder shall specifically survive termination of this Agreement for a period equal to expiration of the statute of limitations applicable to the ISOs for such adjustments.

6. **Force Majeure.** If a Party is rendered unable, by an event of Force Majeure to carry out wholly or in part its obligations under this Agreement and if such Party gives written notice and full particulars of such event of Force Majeure to the other Party promptly after the occurrence of the event relied on, then the obligations of the Party affected by such event of Force Majeure, other than the obligation to make payments then due or becoming due hereunder, shall be suspended from the inception and throughout the period of continuance of any such inability so caused, but for no longer period, and the affected Party shall use commercially reasonable efforts to remedy the event of Force Majeure with all reasonable dispatch.

7. **Indemnification.**

(a) **Just Energy Indemnity and Release.** JUST ENERGY SHALL RELEASE, DEFEND, HOLD HARMLESS AND INDEMNIFY COMMERCE ENERGY AND ITS AFFILIATES AND THEIR RESPECTIVE AGENTS, REPRESENTATIVES, CONTRACTORS, SUBCONTRACTORS, PARTNERS, MEMBERS, PARTICIPANTS, PRINCIPALS, SHAREHOLDERS, DIRECTORS, TRUSTEES, OFFICERS AGENTS, EMPLOYEES, SUCCESSORS AND ASSIGNS FROM, FOR AND AGAINST ANY AND ALL DIRECT OR THIRD-PARTY LOSSES, CLAIMS, CHARGES, EXPENSES, DEMANDS, JUDGMENTS, LIABILITIES, FINES, PENALTIES, (INCLUDING BUT NOT LIMITED TO ANY FINES OR PENALTIES BY PJM), TAXES AND ATTORNEY'S FEES RELATING TO OR ARISING DIRECTLY OR INDIRECTLY FROM THIS AGREEMENT OR THE PROVISION OF THE SCHEDULING COORDINATOR SERVICES, EXCEPT TO THE EXTENT DIRECTLY RESULTING FROM COMMERCE ENERGY'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT, FRAUD OR INTENTIONAL TORT.

(c) **Scope of Indemnities, Releases and Allocation of Liability.** EXCEPT AS EXPRESSLY PROVIDED OTHERWISE, THE INDEMNITIES, RELEASES AND ALLOCATIONS OF LIABILITY IN THIS AGREEMENT ARE WITHOUT REGARD TO THE CAUSES OF

LOSSES, INCLUDING THE NEGLIGENCE OR GROSS NEGLIGENCE OF ANY INDEMNIFIED PARTY, RELEASED PERSON OR PERSON AWAY FROM WHICH A LIABILITY IS ALLOCATED, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE, OR THE STRICT LIABILITY OF AN INDEMNIFIED PARTY, RELEASED PERSON OR PERSON AWAY FROM WHICH A LIABILITY IS ALLOCATED.

8. **Limitation of Damages.** NO PARTY NOR ITS AFFILIATES NOR THEIR RESPECTIVE AGENTS, REPRESENTATIVES, CONTRACTORS, SUBCONTRACTORS, PARTNERS, MEMBERS, PARTICIPANTS, PRINCIPALS, SHAREHOLDERS, DIRECTORS, TRUSTEES, OFFICERS, AGENTS, EMPLOYEES, SUCCESSORS OR ASSIGNS OF ANY OF THEM SHALL IN ANY EVENT BE LIABLE TO THE OTHER PARTY OR ITS SUBSIDIARIES OR AFFILIATES OR THE OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, PARTICIPANTS, PARTNERS, MEMBERS, SHAREHOLDERS, PRINCIPALS, DIRECTORS OR TRUSTEES OF ANY OF THEM FOR CLAIMS FOR INCIDENTAL, PUNITIVE, EXEMPLARY, CONSEQUENTIAL OR INDIRECT DAMAGES OF ANY NATURE, ARISING AT ANY TIME, FROM ANY CAUSE WHATSOEVER, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE OR GROSS NEGLIGENCE), CONTRACT, WARRANTY, STRICT LIABILITY, BY OPERATION OF LAW OR OTHERWISE, CONNECTED WITH OR RESULTING FROM PERFORMING OR NOT PERFORMING UNDER THIS AGREEMENT.
9. **Governing Law.** THIS AGREEMENT AND THE RIGHTS AND DUTIES OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED, ENFORCED AND PERFORMED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS. JUST ENERGY AGREES THAT ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER TO THE PERFORMANCE OR ENFORCEMENT OF SUCH RIGHTS OR OBLIGATIONS SHALL BE BROUGHT IN THE COURTS OF THE STATE NEW YORK IN NEW YORK COUNTY OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO SERVICE OF PROCESS IN ANY SUCH SUIT BEING MADE UPON PARTY A BY MAIL AT THE ADDRESS OF ITS PRINCIPAL OFFICE AS SET FORTH SECTION 19 OF THIS AGREEMENT. EACH PARTY HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HERINAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT COURT.
10. **Amendment.** This Agreement may only be amended by a writing executed by an authorized representative of each Party.
11. **Waiver.** If on any occasion a Party does not insist upon the performance of any term, condition or provision of this Agreement, such forbearance shall not operate or be construed as an acceptance of any variation in any term, condition or provision of this Agreement or relinquishment of any right under this Agreement. No waiver by either Party of any right or of any default by the other Party under this Agreement shall be effective unless the waiver is in writing and signed by the waiving Party, and no waiver shall operate or be construed as a waiver of any other or further right or as a waiver of any future default, whether of like or different character or nature.
12. **Confidential Information.** Each Party shall hold in confidence all confidential information disclosed to it by the other Party or its representatives or by an ISO with respect to a Party that, including this Agreement, proprietary practices, technical information, information regarding management policies, economic policies, financial and ownership information, marketing strategies and practices and other data and any information that is designated as "confidential" or "proprietary" ("Confidential Information"). For the avoidance of doubt, Commerce Energy considers its

scheduling and trading strategies and the pricing information to be proprietary and confidential. Confidential Information shall not include (a) information that is publicly available, or (b) information obtained by a Party from a third party not known to be under an obligation of non-disclosure to Just Energy or Commerce Energy, as the case may be. The obligations in this Section 12 shall continue in effect during the term of this Agreement and for two years after the termination date. Notwithstanding the foregoing, any Party may disclose Confidential Information (i) to the extent necessary to perform this Agreement, (ii) to any governmental authority or as otherwise required by law, but only to the extent legally required to do so, and (iii) to its affiliates, advisors, auditors, legal counsel, lenders and insurers provided they agree to similar prohibitions on disclosure.

13. **No Dedication of Facilities.** Neither the Scheduling Coordinator Services performed by Commerce Energy under this Agreement nor any Party's actions or inactions under this Agreement shall constitute or be construed as a dedication of the systems or assets, or any portion thereof, of any Party to the public or to the other Party.

15. **Obligations Several / Relationship.** The duties, obligations and liabilities of the Parties are intended to be several and not joint or collective.
16. **No Third Party Beneficiaries.** This Agreement is intended solely for the benefit of the Parties and nothing in this Agreement shall be construed to create any rights in favor of, any duty to or standard of care with reference to, or any liability to any third party, except for the rights of Commerce Energy Related Parties under Section 2 of Schedule 1.
17. **Assignments.** No Party may assign this Agreement or any right or obligation under this Agreement without the prior written consent of the other Parties. Any purported assignment in violation of this Section 18 shall be void. Notwithstanding the foregoing, each Party shall be entitled to assign all of its respective right, title and interest under this Agreement to any creditor of such Party, solely as security for the obligations of such Party in connection with indebtedness owing to such creditors; provided, for clarity, such assignment shall not relieve such Party from any of its obligations under this Agreement. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.
18. **Severability.** If any provision of this Agreement is held invalid or unenforceable, all other provisions of this Agreement shall not be affected. With respect to a provision held invalid or unenforceable, the Parties shall amend this Agreement as necessary to affect the Parties' original intent as closely as possible.
19. **Change in Tariff or PJM Operating Procedure.** If there is a change in PJM's Tariff or operating procedure which has an impact on the implementation of this Agreement, the Parties agree to use commercially reasonable efforts to conform this Agreement to accommodate such changes.
20. **Drafting Ambiguity.** The rules of construction that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments, exhibits, or schedules to this Agreement.
21. **Additional Parties.** With the consent of each other Party hereto, any other affiliate of Just Energy may become a party hereto by entering into a supplement to this Agreement and agreeing to be bound by the terms hereof.
