RE: Dominion Energy Solutions, LLC.; Docket No. A-125002; and Interstate Gas Supply, Inc.; Docket No. A-125051; **NOTICE OF CUSTOMER TRANSFER**

Dear Secretary Chiavetta:

The purpose of this letter is to provide notice to the Pennsylvania Public Utility Commission (“Commission”) that on or about May 30, 2022, all Pennsylvania customers of Dominion Energy Solutions, LLC (“DES”) will be transferred to Interstate Gas Supply, Inc. (“IGS”). After the transfer, DES will have no natural gas customers. At this time, it has not been determined if DES will abandon its license. IGS is licensed as a natural gas supplier in each of the Natural Gas Distribution Company (“NGDC”) service territories in which DES serves any customers and so there will be no issues with regard to stranded customers, and all of the customer contracts are assignable. Moreover, IGS will continue to honor the terms of the DES contracts for the duration of those agreements. Finally, both IGS and DES are compliant with all Commission assessments.

Attached hereto as **Exhibit A** is a copy of the form of notice that will be provided to residential customers, and **Exhibit B** is a copy of the notice that will be provided to Commercial and Industrial customers. Also attached is proof of service in accordance with the attached Certificate of Service. If you have any questions, please contact my office.

Very truly yours,

Todd S. Stewart
