Re: PECO Energy Company Results of its DSP V March 2023 Request for Proposals Process

Dear Mr. Webster:

On March 14, 2023, PECO Energy Company (PECO) filed the results of its Request for Proposals (RFP) Process and Rules for the DSP V March 2023 Solicitation for provider of last resort service. The filing includes bid results for a Full Requirements RFP for Residential, Small Commercial and Consolidated Large Commercial and Industrial customers who receive default service from PECO during the period June 1, 2023, through May 31, 2025.

This filing was submitted in accordance with the RFP Process and Rules filed by PECO on March 13, 2020. The RFP Process and Rules were approved in the Commission's Opinion and Order, entered December 3, 2020, at Docket No. P-2020-3019290.

PECO requests that the Commission approve the bid results of the March 2023 Solicitation on or before March 16, 2023.

Further investigation does not appear to be warranted at this time, since the results of the March 2023 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct PECO to disclose the results of this March 2023 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in cursive script that reads "Rosemary Chiavetta". The signature is fluid and elegant, with the first name being particularly prominent.
