Dear Secretary:

RE: M-2023-3038060

My electric bill for January 2023 and February 2023 was extremely high.

We are retired and on a budget. When I opened the bills I was in shock. I think PPL made a mistake and overcharged us.

This is my old account number for PPL-

I now have a different utility for my electric.

I hope you can help us.

January bill: \$364.77 -2023

February bill: \$463.86 -2023
