

PPL Issue

I want to complain about PPL billing issues.

The issues I have experienced from PPL has been the following:

- 1. Received high estimated bill, then for Dec2022/Jan 2023**
- 2. Then did not received multiple months bills and I called to ask why I have not received the bills**
- 3. Then I got a revised bill for Dec/Jan 2023**
- 4. Then got bills due May 15 2023 for Jan to Mar 2023 for multiple months for \$521.26**
- 5. Then got a bill due Aug 9 2023 for Mar to Apr for \$218.18**
- 6. Then got a bill due Aug 10 2023 for Apr to May for \$457.89 (multiple months)**
- 7. Then got a bill due Aug 14 2023 for May to June \$727.23 (multiple months)**
- 8. Then got a bill due Aug 14 2023 for Jun to July for \$958.57 (multiple months)**
- 9. Then got a bill due Aug 24 2023 for Jul to Aug for \$1201.09 (multiple months)**

So then these charges that were not received for multiple months were starting to come in all at one time and then a big amount of \$1201.09 due at one time by Aug 24 2023. I think this was unfair.
