Secretary of PUC,

I am writing last minute because I could not maneuver thru your website.

I would like to be included in comments re: the wrongful charges to our household on our PPL Bill. Example

10/16/23 \$603.43
11/13/23 \$556.47

We made payments as we could afford. We are both retired so we are on a budget. We would never use electric to this extent of charges.

Please reimburse what we are entitled to.

Respectfully,
Patricia S. Devine
