Re: Application for Emergency Temporary Authority on Behalf of Williamsport Moving Company, Inc.  
Docket No. A- 00089650, F. 6004

Dear Secretary McNulty:

Enclosed please find an original and three copies of Williamsport Moving Company, Inc.'s Application for Emergency Temporary Authority. Please be advised that this Application is being filed due to the extended delay in issuance of the Initial Decision of Administrative Law Judge ("ALJ") Michael Schnierle in Williamsport's previously filed Application for authority to operate within Centre County which Initial Decision was issued on May 6, 2004. Exceptions and reply exceptions have been filed and a decision by the Commission is not expected in the near future.

Williamsport filed this Application in November 2002. This matter has been in litigation for approximately 1-1/2 years. Williamsport was granted authority by the Initial Decision of ALJ Schnierle in May 2004 although reply briefs were filed in October 2003. Williamsport is anticipating that no Commission decision will be issued prior to the main moving season which begins in May 2004. In order to take advantage of the 2004 summer moving season, Williamsport is compelled to file this application on an emergency basis for issuance of authority.

If you have any questions regarding the foregoing, please contact me.

Dear Pennsylvania Public Utility Commission,

The following statement is made on behalf of Williamsport Moving Co. Inc., T/A Keystone Relocation. Robert J. McKernan, Jr., President of the company, has prepared this statement.

The equipment we will use to service customers in Centre County is the existing equipment in our fleet, approximately seven straight trucks, 2 tractor-trailers and 2 pack units.

At this time we do not have a permanent facility in Centre County. We are in the process of processing three individuals to work as temporary summer time employees. These summer employees will work with the full time professional Van Foreman that <sup>is currently</sup> currently part of our team.

*where is the van?*

We have not had any problems with the Commission. The reason for this ETA is because the PUC has had my application for permanent authority since October 2002. Recently ALJ Schnierle wrote an initial decision in favor of our being granted the authority we had asked for. **But**, given the appeal process, customers in Centre County will be denied an opportunity to use our service this summer unless this ETA is granted. I can be reached at 570-326-1727 if you wish to discuss any part of this application.

We will use the current rate structure we have filed with the commission. An attached copy is provided. No other rates are on file or under consideration by the Commission.

Proof of our insurance coverage is also attached.

Dear Pennsylvania Public Utility Commission,

In order to properly answer the questions you have requested this Statement of Support has been prepared with the assistance of Williamsport Moving Co. / Keystone Relocation.

The commodity to be transported is my / our household goods. The points to, from or between which the transportation will be provided is either within Centre County or from Centre County to another point in Pennsylvania.

This service is needed for the relocation of my / our household goods. I do not anticipate needing this service again in the near future.

By my signature below I acknowledge that I am in favor of Williamsport Moving Co. / Keystone Relocation acquiring emergency temporary authority to provide household goods relocation services within Centre County and to points in Pennsylvania and vice versa, for the period May 26, 2004 to July 25, 2004 while their application for permanent authority is being processed.

My household move will take place during the period stated above and I would like to have the option of securing a quote for our move and possibly using the services of Keystone-Relocation for such move.

As a consumer, I think I am entitled to have the option of selecting the mover I feel most comfortable with. Without the ability to get a quote from Keystone Relocation and the ability to select them as our carrier I think I am being denied the opportunity to choose what is best for my family or I at the level of service we desire and / or the price for such services.

**IMPORTANT NOTICE REGARDING YOUR FINANCIAL RESPONSIBILITY INSURANCE IDENTIFICATION CARD.**

The Insurance Company is required by Pennsylvania law to send you an I.D. card. The card shows that an insurance policy has been issued for the vehicle(s) described satisfying the financial responsibility requirements of the law.

If you lose the card, contact your insurance company or agent for a replacement.

The I.D. card information may be used for vehicle registration and replacing license plates. If your liability insurance policy is not in effect, the I.D. card is no longer valid.
