Dear Mr. Wolford:

The Commission, in public meeting May 25, 1984, considered the request that the above carrier be granted an extension of time to May 31, 1984, to file its 1983 Annual Report.

The action of the Commission was to grant the extension requested to May 31, 1984, with no further extension to be authorized.

Very truly yours,

Jerry Rich
Secretary
