**Re: Joint 2nd Quarter 2015 Reliability Report – Metropolitan Edison Company,
Pennsylvania Electric Company, Pennsylvania Power Company and West Penn
Power Company – Public Version - ERRATA**

Dear Secretary Chiavetta:

Pursuant to 52 Pa. Code § 57.195(d) and (e), enclosed for filing on behalf of Metropolitan Edison Company (“Met-Ed”), Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company (collectively, the “Companies”) are corrected pages 31 and 32 of the Joint 2nd Quarter 2015 Reliability Report – Public Version (“Joint Report”) which was originally filed on August 3, 2015. Please date stamp the additional copy and return it in the postage-prepaid envelope provided.

Upon review, it was discovered that Met-Ed inadvertently erred in calculating SAIDI impacts related to its Worst Performing Circuits. The enclosed pages 31 and 32 reflect revisions to correct this error. All other figures on the report are accurate.

Please feel free to contact me if you have any questions or need additional information regarding this matter.

Sincerely,

Tori L. Giesler
